

Good Camping

Good Traveling

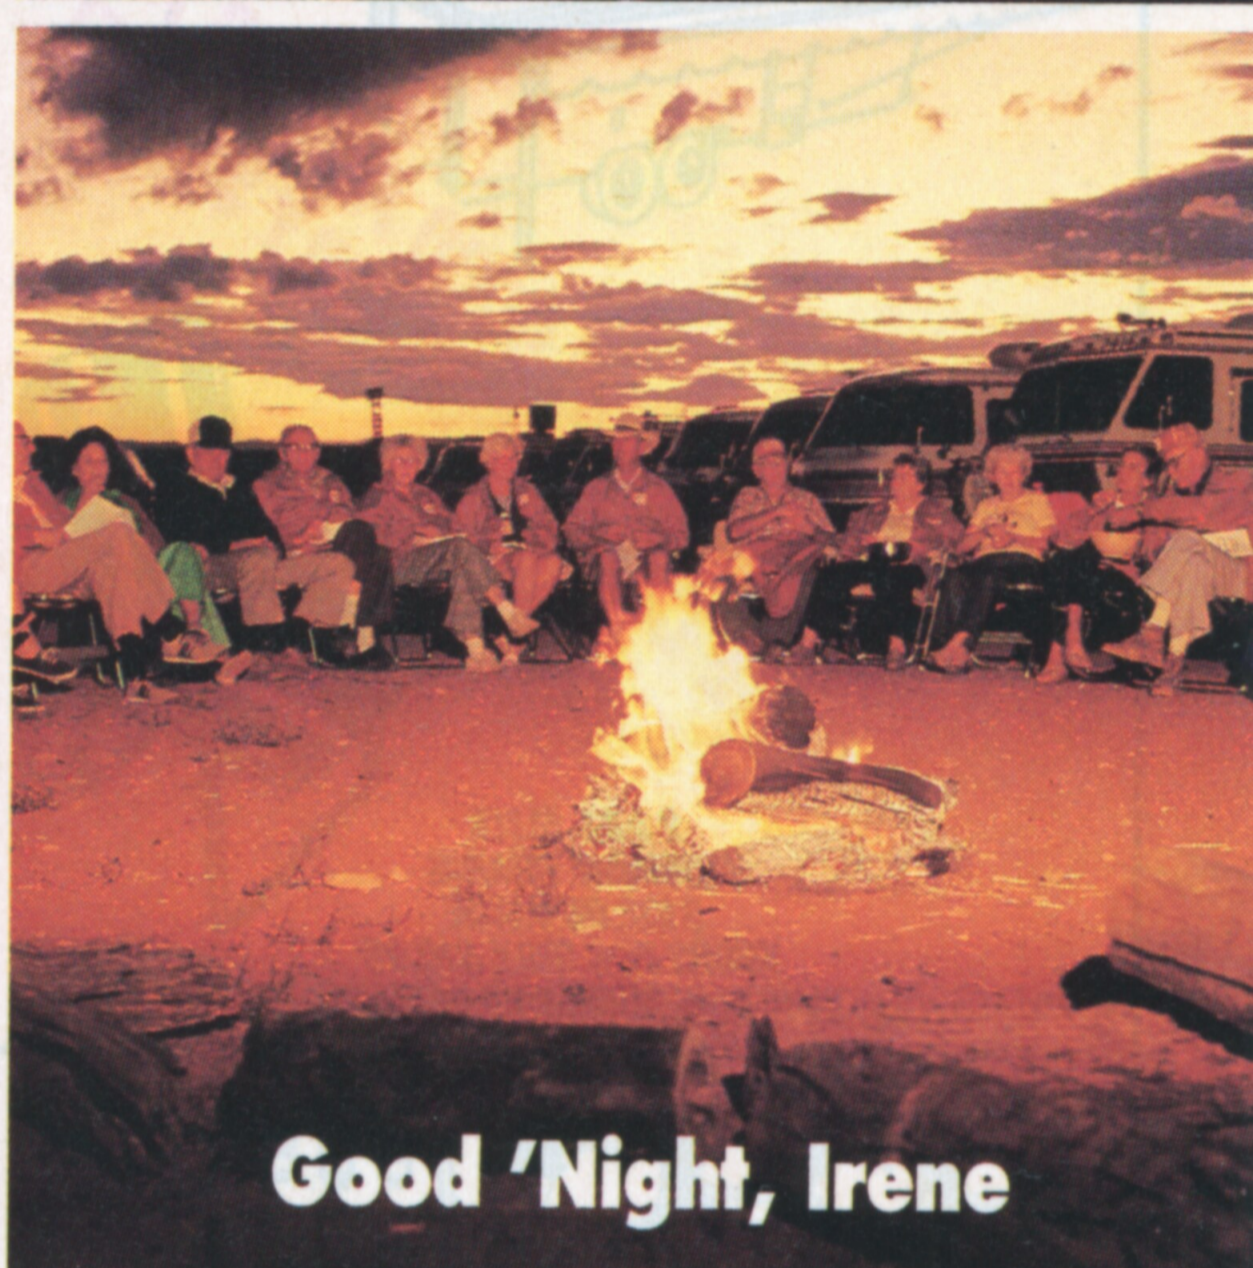

Good Times

Good Eating

Good Fun

Good 'Night, Irene

FORETRAVEL OWNERS KNOW A GOOD THING WHEN THEY'VE GOT IT!

You've probably seen them. Some are members of the Foretravel Motorcade Club. These owners of Foretravel-built motorhomes seem to share a special knowledge.

Perhaps it's the comfort they've learned to enjoy in their Foretravel motorhomes: modern conveniences that are built in with functionality, luxurious interiors that make travelling a pleasure and the pride of quality workmanship that is evident throughout.

Then there's the special confidence that comes from Foretravel's superior engineering. Whether they're driving a Foretravel, Travco or our new Grand Villa, every owner has the assurance that the most advanced engine and chassis design is riding beneath the sleek fiberglass exterior.

Sharing this not-so-secret knowledge of Foretravel ownership is what the **Foretravel Motorcade Club** is all about. They call it a "fellowship" in the best factory-sponsored motorhome owners Club in the world. In 22 local groups across the U.S. these Foretravel owners enjoy:

- **Motorcading:** Pre-planned tours you can enjoy at your own pace, accompanied by a full professional staff including a medical advisor and a factory trained mechanic;
- **Special Group Insurance Rates**
- **10% Service Rebate** for parts and labor at factory service centers in Texas, Florida, California and Tennessee

- **Trip routing, mail forwarding and message services, plus a lot more.**

If you'd like to know more about the fun and pleasure of Foretravel ownership, call or write us for a free brochure. We'd love to get to know you.

**IT SURE FEELS GOOD
