

Who sells the most Foretravels? Foretravel owners do!

The best way to buy a motorhome is to talk with some of the folks who own them.

It's not at all uncommon to hear veteran owners, many of whom own their third, fourth or even fifth Foretravel product, say "Foretravel has the best ideas about what you want in a motorhome, but a lot of people ask for specific things...And get them!"

Richard and Aline McHie

"Everything is put together so well and it shows up when you're going down the road."

You'll hear comments that reflect a real spirit of cooperation and mutual concern by company personnel who care, and listen, and follow through.

Flavis Casson, Sr.
"It's a world apart from the rest in quality."

Foretravel has 20 years of experience building the very finest quality motorhomes for a very

Sam Snodgrass

"We wouldn't own anything else."

demanding market: Foretravel owners! To meet their demands, this year's innovations include the introduction of Foretravel's Grand Villa UNIHOME, a motorhome that already has the experts calling it "**The best handling motorhome on the road.**"

Whether they drive a UNI-HOME, Grand Villa, Foretravel or

Randy and Judy Garavaglia

(Foretravel Motorcade members) "If we ever have any problems, we're dealing with friends and it's the same all over the country."

Travco, all Foretravel owners enjoy membership in the country's finest motorcade club. As one member says "*the Club makes it all possible. Travelling all over the country, you have a factory-trained mechanic, nurse and doctor with us—you can go clear to Alaska and feel like everything's there that you need.*"

Ivan Wright

(Foretravel motorcade member)

"You can go clear to Alaska and feel like everything's there that you need."

If you'd like to get a taste of what owning your first Foretravel would be like, talk to any Foretravel owner or send for a free color brochure. **We'd love to hear from you.**
