*The Foretravel Super Luxura.*

In 1973 their firm commitment to quality and success led them to make their first major exterior design change.

The "Super Luxura" boasted a fiberglass front and rear cap, and side panels, which sparked great interest across the country. Foretravel continued to grow during the '70's and by 1974 had pioneered the first use of a diesel engine in a conventional motorhome.

We don't have any documentation to share on this model year. If you have information please update this page, or send the details to [wiki \[at\] foreforums \[dot\] com](mailto:wiki@foreforums.com)
