# Details

## Electric Windshield Privacy Shade for All Models

Use them as sunvisors while driving and as privacy shades when parked ... all at the push of a button.

## 37" Plasma TV Monitor in U320

The 37" Panasonic® plasma TV monitor delivers unmatched image quality for the very best picture you've ever seen on a plasma screen.

## Cesana™ Rounded Shower in U320

Cesana™ customized shower enclosures are good-looking, practical, and of the highest quality. Cesana™ enclosures envelop you in comfort and style.

## Ekornes® Chair and Ottoman Now Standard in U295 and U270

The Stressless™ chair by Ekornes®, Scandinavia's largest furniture manufacturer, provides a world of comfort and functionality. Sitting in a Stressless™ is like floating on air.

## 15" and 22" Flat Panel LCD TV

Enjoy the very latest in television viewing and sound technology with a flat panel LCD TV, 22" standard in U320 bedroom, and 15" standard in U270 and U295 bedrooms.

## Multiplex Lighting Control for U295 and U320

The new Multiplex lighting control system, standard in all U295s and U320s, makes it a snap to find and control the lighting and other 12-volt systems in your coach. You'll never have to search for a light switch again.

## Avantium® Oven for U320

Oven-quality food, and up to eight times faster. General Electric's Speedcook™ technology bakes, broils, browns, roasts and even grills with no preheating!

## Girard® Automatic Patio Awning Standard on U320 and U295

With the original RV lateral arm awning, Girard® Systems has raised the standard in RV awnings. Beautiful, functional, and easy to operate; just push a button, and it's done.

## Seamless End Caps

We hand-finish the seams where our front and rear caps attach to the coach for a beautiful, seamless finish. It's time-consuming, but worth it.

## Alcoa® Aluminum Wheels

Beautiful, shiny aluminum wheels are easy to keep that way. They're the first aluminum wheels you don't have to polish or scrub — just spray with soap and water!

## Sony® Sound System in Living Rooms of U295 and U320

Prepare your senses for excitement. The sound quality of your Sony® entertainment system coupled with Bose® speakers is unsurpassed in the industry.

## Allison Transmission Retarder

Tests show that Allison Transmission retarders provide almost twice the braking power of compression brakes and approximately three times the braking power of exhaust brakes. Make sure your next motorhome has one!
