## **FORE-Slides**

### **FORE-Slides**

- Not only do all floor plans feature “four” slides~ but more importantly they all feature Foretravel's Fore-Slide technology. These slides are undoubtedly head and shoulders above the competition featuring pneumatic air seals that provide a literal airtight seal completely around each slide-out room regardless of slide position for the premium in fit, finish and function. They also feature a power drop down flooring system that gives the Realm not only a flat-floor when extended, but a true flat-floor when retracted as well. (No interior carpet lip; no overlapping exterior plastic moldings or flap gasket seals)
